Three full-length Highland romances from author Aileen Adam ' s Highland Heartbeats series. Book One of the Highland Heartbeats Series! A Laird ' s Promise Some promises are hard to keep... Phillip promised he ' d let her go home. He promised, after she completed her task, she ' d be free. He didn ' t promise her that he wouldn ' t capture her heart before he released her. For Sarah, captive of the Highland Laird, that these promises are kept is paramount. Phillip never expected to fall in love with the woman who was supposed to save his brother ' s life. He also never expected to break a promise. But some promises are hard to keep, especially when he finds out the secrets she ' s keeping. * * * Book Two of the Highland Heartbeats Series! A Rebel ' ' s Desire Some secrets are hard to keep... Jake Duncan promised Heather MacDonald he ' d keep her secret. He ' d help her train to be a warrior and all she had to do was give him a kiss. He didn ' t promise that she wouldn ' t feel the stirrings of desire for this former soldier. For Heather, a woman determined to become a warrior, Jake ' s promise means the difference between life and death. Wounded at war, then the target of a malicious healer, Jake Duncan, brother of the Highland Laird, has decided he has to prove himself, over and over again. He never thought that part of his journey would involve falling for the woman from the Lowlands who wasn ' t as demure or as shy as he originally thought, especially not when she was wielding a dirk. * * * Book Three of the Highland Heartbeats Series! An Outcast ' s Wish Some memories are best left forgotten. ... Maczey Douglas finds a trespasser on Duncan lands. Except the trespasser isn ' t some lad up to mischief. It ' s a woman in boy ' s clothing. A woman with a bruise on her head and no name, and hunting skills. She claims she doesn ' t know who she is. That doesn ' t stop him from falling in love. Except this red-haired beauty has an explosive secret that is bound to bring war to the Highlands.

Dougal Craig might have been amused regarding his reputation as a highwayman/ruffian/bandit, when actually, he's nothing of the sort. He just likes his privacy and it doesn't take much for rumors to start. He doesn't bother to deny them. More the better so people leave him alone. He's anti-social but not unfriendly, so he typically shrugs off the opinions of others. He lives quietly out on the moors, taking care of any trouble that comes his way with his guns or his swords. Tyra Fletcher ' s running from a secret. But she didn ' t plan on running into a musket wielded by Dougal Craig. Now she ' s injured and at his mercy. Dougal ' s got secrets of his own. His are far more deadly. Who ' s protecting who now as this English refuge runs into the wrong end of Dougal ' s weapon?

Some secrets are hard to keep. ... Jake promised Heather MacDonald he ' d keep her secret. He ' d help her train to be a warrior and all she had to do was give him a kiss. He didn ' t promise that she wouldn ' t feel the stirrings of desire for this former soldier. For Heather, a woman determined to become a warrior, Jake ' s promise means the difference between life and death. Wounded at war, then the target of a malicious healer, Jake Duncan, brother of the Highland Laird, has decided he has to prove himself, over and over again. He never thought that part of his journey would involve falling for the woman from the Lowlands who wasn ' t as demure or as shy as he originally thought, especially not when she was wielding a dirk.

Like battles, some redemption cannot be won... In early 1746, Alasdair Macintyre is headed home after the rout at Culloden on Drumrossie Moor, in sight of Inverness. The battle has been lost and scar on his face that makes him so ferocious-looking that even children run from him in terror. He learns his father has betrothed him to a local lass—a nearly blind woman—in exchange for a sizeable dowry and a chunk of land. The woman brings with her a companion that hates him immediately. He has no interest in having a chain around his neck, not even in the form of a woman he once knew as a girl—a gangly, twig of a girl. But Beitris is no longer the girl Alasdair Macintyre remembers. She ' s blossomed into a stunning woman, though one that is terrified of the scarred Highlander she ' s betrothed to.

St. Martin's Paperbacks historical romance--Spine.

From the #1 New York Times bestselling author of If You Dare and If You Desire comes the third in the MacCarrick Brothers series featuring a handsome and mysterious Highlander. Ethan MacCarrick was a heartbreakingly handsome rake until a powerful nobleman ordered him brutally beaten and his face scarred for a crime he didn't commit. Ethan's reprisal—bankrupting the nobleman and forcing his exile—does little to appease his wrath. Ten years later, a haughty, mysterious beauty enchants Ethan—the daughter of his enemy. At last, Ethan will have the revenge he's craved; he'll promise her marriage, seduce her, then cast her aside. When Madeline van Rowen's family was suddenly plunged into destitution and dishonor, she steeled herself against further heartache. She never weakened, never trusted, until a towering, scarred Highlander relentlessly pursues her, breaking down her defenses. The passion between them burns hotter than Ethan's fury, and soon he finds he can't let her go. But when Madeline uncovers the truth about him, can Ethan convince her to accept all he now offers—when he once destroyed everything she had?

Frederick II of Hohenstaufen, Holy Roman Emperor, King of Sicily, King of Jerusalem, has, since his death in 1250, enjoyed a reputation as one of the most remarkable monarchs in the history of Europe. His wide cultural tastes, his apparent tolerance of Jews and Muslims, his defiance of the papacy, and his supposed aim of creating a new, secular world order make him a figure especially attractive to contemporary historians. But as David Abulafia shows in this powerfully written biography, Frederick was much less tolerant and far-sighted in his cultural, religious, and political ambitions than is generally thought. Here, Frederick is revealed as the thorough traditionalist he really was: a man who espoused the same principles of government as his twelfth-century predecessors, an ardent leader of the Crusades, and a king as willing to make a deal with Rome as any other ruler in medieval Europe. Frederick's realm was vast. Besides ruling the region of Europe that encompasses modern Germany, Czechoslovakia, Poland, eastern France, and northern Italy, he also inherited the Kingdom of Sicily and parts of the Mediterranean that include what are now Israel, Lebanon, Malta, and Cyprus. In addition, his Teutonic knights conquered the present-day Baltic States, and he even won influence along the coasts of Tunisia. Abulafia is the first to place Frederick in the wider historical context his enormous empire demands. Frederick's reign, Abulafia clearly shows, marked the climax of the power struggle between the medieval popes and the Holy Roman Emperors, and the book stresses Frederick's steadfast dedication to the task of preserving both dynasty and empire. Through the course of this rich, groundbreaking narrative, Frederick emerges as less of the innovator than he is usually portrayed. Rather than instituting a centralized autocracy, he was content to guarantee the continued existence of the customary style of government in each area he ruled: in Sicily he appeared a mighty despot, but in Germany he placid his trust in regional princes, and never dreamed of usurping their power. Abulafia shows that this pragmatism helped bring about the eventual transformation of medieval Europe into modern nation-states. The book also sheds new light on the aims of Frederick in Italy and the Near East, and concentrates as well on the last fifteen years of the Emperor's life, a period until now little understood. In addition, Abulafia has mined the papal registers in the Secret Archive of the Vatican to provide a new interpretation of Frederick's relations with the papacy. And his attention to Frederick's register of documents from 1239-40—a collection hitherto neglected—has yielded new insights into the cultural life of the German court. In the end, a fresh and fascinating picture develops of the most enigmatic of German rulers, a man whose accomplishments have been grossly distorted over the centuries.

Despite his hatred of the of the English, Scottish warrior Robert "Raider" Boyd cannot hold his passions at bay when Lady Rosalin Clifford, the Englishwoman who saved him from execution, walks back into his life. Original. 150,000 first printing.

1314. Joan Cornyn swore allegiance to Robert the Bruce after the English tortured her mother. Now she uses her beauty to ferret out secrets and has become the most wanted spy in England. Alex Seton once stood with Bruce, but now fights for England and is determined to uncover "the ghost's" identity.

His savour from the darkness ... After years of brutal torture, Callum MacKintosh is finally free of his captors—but his voice is still held prisoner. He'd never let anyone hear him scream. Although Lady Marguerite de Montpierre's chains are invisible, they threaten to tie her to a loveless and cruel marriage. When Marguerite discovers Callum waiting to die, her heart aches—but they can have no future. Yet she is the one woman who can tame the rage locked inside him. Maybe he can find another reason to live... for her. Originally published in 2012.
