Told in short, gripping chapters, this is an unforgettable true story of survival. The author was featured in Steven Spielberg's Survivors of the Shoah Visual History Foundation. At just 15, her mother, and brother were taken from their Romanian town to the Auschwitz-II/Birkenau concentration camp. When they arrived at Auschwitz, a soldier waved Ely to the right; her mother and brother to the left. She never saw her family alive again. Thanks to a series of miracles, Ely survived the Holocaust. Today she is dedicated to keeping alive the stories of those who did not. Ely appeared on CBS's 60 Minutes for her involvement in bringing an important lawsuit against Volkswagen, whose German factory used her and other Jews as slave laborers.

A Time Best YA Book of All Time (2021) In this " searing work of historical fiction " (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village. It never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present!" Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

This stirring collection of diaries written by young people, aged twelve to twenty-two years, during the Holocaust is given new life in this enhanced e-book. Featuring a wealth of content including photographs of the writers and their families, images of the original diaries, artwork made by the writers, historical documents, glossary terms, maps, survivor testimony (some available for the first time), and video of the author teaching key passages, this revised and updated version of the seminal National Jewish Book Award winner preserves the impressions, emotions, and eyewitness reportage of young people whose accounts of daily events and often unexpected thoughts, ideas, and feelings serve to deepen and complicate our understanding of life during the Holocaust. This updated edition includes a new preface by Alexandra Zapruder examining the book ' s history and impact. Additionally, an in-depth, interdisciplinary curriculum in history, literature, and writing developed by the author and a team of teachers, working in cooperation with the educational organization Facing History and Ourselves, is now available to support use of the book in middle- and high-school classrooms.
