Berserk, congrats, is the first manga series to make me pause in reading because I'm either caught up in so much emotion that I can't process what I'm reading, or because I feel sick to my stomach at what is happening. With that said, this volume was a mix of both, though with more unprocessed emotions than weak stomach.

The Band of the Hawk may have been the most formidable band of fighters around, but when matched up against an army of abyssal monstrosities, earthly fighting skills don't amount to a hill of beans. The Hawks' tortured and mutilated former leader, Griffith, has used the accursed Crimson Behelit to open the gates to a shadowy realm of unspeakable horrors, the realm of the demon lords of the Godhand, who are willing to transform Griffith into a being of terrible power and majesty as long as Griffith is willing to give up his former command as sacrifices in the Invocation of Doom. But nobody takes down the Hawks without a fight, and their berserker champion, Guts, will take on anything Hell can throw at him in order to save his lover, Casca, from the sordid violations that only Hell can offer.

The Band of the Hawk may have been the most formidable band of fighters around, but when matched up against an army of abyssal monstrosities, earthly fighting skills don't amount to a hill of beans. The Hawks' tortured and mutilated former leader, Griffith, has used the accursed Crimson Behelit to open the gates to a shadowy realm of unspeakable horrors, the realm of the demon lords of the Godhand, who are willing to transform Griffith into a being of terrible power and majesty as long as Griffith is willing to give up his former command as sacrifices in the Invocation of Doom. But nobody takes down the Hawks without a fight, and their berserker champion, Guts, will take on anything Hell can throw at him in order to save his lover, Casca, from the sordid violations that only Hell can offer.

The Band of the Hawks' rescue of their leader, Griffith, has brought them no ease. Broken beyond healing, a frail ghost of his former glory, Griffith is now more an object of pity than a man, and the Hawks, who've grimly hung together under duress and death during his absence, are now on the verge of splintering to the winds. But Griffith's dreams and ambitions, built on the bodies of his troops and the countless enemies they have slain, have not gone unnoticed in the spirit realm, and though Griffith has nowhere to go as a man, he may yet have a future . . . a future borne on jet-black wings in the company of the demon lords of the Godhand!

Kentaro Miura's epic adult fantasy/horror series is an international sensation and is now featured in 7x10 deluxe hardcover editions! Griffith, the mutilated leader of the Band of the Hawk mercenaries, offers up his command to the demon lords of the Godhand in exchange for a

rebirth into beauty--and terrible power. But the Hawks' berserker champion, Guts, will take on perdition itself to save his lover, Casca, from the profane violations that only Hell can offer! Collects Berserk volumes 13-15, and includes Berserk Prototype, the original Berserk submission story.

Created by Kentaro Miura, Berserk is manga mayhem to the extreme - violent, horrifying, and mercilessly funny - and the wellspring for the internationally popular anime series. Not for the squeamish or the easily offended, Berserk asks for no quarter - and offers none! His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him! Accompanied by Puck the Elf, more an annoyance than a companion, Guts relentlessly follows a dark, bloodstained path that leads only to death...or vengeance.

Desperate to find a sanctuary where his lover, Casca, will be safe from the demons drawn to her Brand of Sacrifice, Guts the Black Swordsman pushes his motley band of followers onward towards fairy Puck's homeland, Elfhelm. With new allies who make their home in a mystically guarded woodland paradise, Guts' goal seems within reach, but danger lurks in the shadows of even the most dazzling utopias, and even fairy witchery may not protect the wondrous kingdom from an army of marauding, murderous trolls! Created by Kentaro Miura, Berserk is a runaway manga locomotive, a crashing colossus of teeth-rattling action, spine-chilling horror, and taboo-breaking humor that fires the boilers of its devoted devotees and burns the rest. Ashes to ashes!

Guts, the Black Swordsman, and his companions have finally arrived at the sea, where they discover a mysterious child who seems to share a special bond with Guts and his former lover, the now-mad Casca. The troupe's brief respite at the shore offers moments for quiet introspection and deeper bonding, but such peace is always short lived where Guts is involved, and Guts must once again don the demonic Berserker Armor to take on a force of bloodthirsty beasts emerging from the once-peaceful surf, possessed by the accursed sorcery of a powerful Kushan enchanter! And who knows what will happen when internal strife pushes a member of Guts's band unknowingly into the comforting companionship of an enemy!

The first Berserk novel, conceived by series creator Kentaro Miura and written by Makoto Fukami, novelist and screenwriter for the Berserk anime, Psycho-Pass and Resident Evil: Vendetta. The Flame Dragon Knight also presents ten full-page illustrations by Kentaro Miura. The Flame Dragon Knight traces the rise of the warhammer-wielding warrior Grunbeld from humble beginnings to become the all-powerful Apostle who will one day face Guts in mortal combat! Featuring all the grisly supernatural action and sinister courtly intrigue Berserk readers have come to expect.

Guts, the feared Black Swordsman, is on the rampage - and it's personal. Mozgus, the malefic master Inquisitor of the Holy See, in his murderous campaign against heretics, has captured Guts' former lover Casca and has her at the ready to be burned at the stake in the Tower

of Conviction, little knowing that Casca's demonic Mark of Sacrifice is drawing hideous dark powers to the Tower. It'll take everything Guts has and more to defeat Mozgus — who is much, much more than a man — and even if he can, will he be able to save Casca from the hordes of Hell amidst the inquisitor's disintegrating citadel?

Guts, the Black Swordsman, and his companions have finally broken free of the monster-infested wilderness and arrived at the port city of Vritannis. But the band finds out all too quickly that humans can be just as monstrous as the nightmarish creatures and apostles they battled in the forest. As Schierke and Isidro face off against pirate slavers, Farnese's power-hungry family tries to force her once again under the yoke of their political ambitions. The group's only hope is to find a ship out of the city, but even if they manage to secure a vessel, will everyone be free to leave?
