Os Guinness more urgent than how we live with our deepest differences—especially our religious and ideological differences. The Case for Civility is a proposal for restoring civility in America as a way to foster civility around the world. Influential Christian writer and speaker Os Guinness makes a passionate plea to put an end to

the polarization of American politics and culture that—rather than creating a public space for real debate—threatens to reverse the very principles our founders set into motion and that have long preserved liberty, diversity, and unity in this country. Guinness takes on the contemporary threat of the excesses of the Religious Right and

the secular Left, arguing that we must find a middle ground between privileging one religion over another and attempting to make all public expression of faith illegal. If we do not do this, Guinness contends, Western civilization as we know it will die. Always provocative and deeply insightful, Guinness puts forth a vision of

entails ideological commitments that can work against the promotion of public civility in pluralistic societies. A corrective outlook on public life and the public sphere is necessary, an outlook that aligns with and recovers the notion of the human good. Park develops a framework for a universally applicable public civility

in multifaith and multicultural contexts by engaging the central concepts of the "image of God" (imago Dei) and "human nature" (fitra) in Roman Catholicism and Islam. The study begins with a critique of the social fragmentation and decline of public life found in modernity. Park's central contention is that the construction
