Kant believes, as most of us do, that happiness should not motivate us to the exclusion of duty. Obedience to the moral law — duty — is the most important thing, but happiness is also desirable. Kant notes that an important assumption necessary for moral responsibility is the idea that we human beings give the moral law to our own wills.

Learn Liberty | Immanuel Kant: Philosopher of Freedom  
Law & Liberty's focus is on the classical liberal tradition of law and political thought and how it shapes a society of free and responsible persons. This site brings together serious debate, commentary, essays, book reviews, interviews, and educational material in a commitment to the first principles of law in a free society.
