2. They bring diseases. When considering why rats are dangerous, it is prudent to remember that rats can carry diseases in with them, and some of them can be lethal to humans, and other animals (your pets, for instance). These diseases are lethal to humans, for example, salmonellosis and bubonic plague (spread by the fleas that were carried by rats). The plague is so dangerous it killed about ...

Trading pleasure for information is no way to catch a criminal...or is it? With fifty grand at stake and a star-witness missing, bounty hunter R. A. Thorn and Detective Cameron Martinez reluctantly team up to and put their bodies on the line to make gorgeous informant Brenna Sheridan a deal: everything she knows in exchange for everything she desires. Their heated interrogation explodes into an unexpected experience none can forget or forego. Commitment-shy Thorn is sure their "deal" is nothing but pure, sizzling lust. Cam knows it's more.

their love to the next level or send the ex-con back to jail? Book 5: Donut Tease Me, A Second Chance Best Friends to Lovers Romance Stephanie Hunter thought donuts were her greatest love until rocker Bobby Moone crooned his way into her life. For years, she ignored her feelings, and now, he's gone. Off to Los Angeles to take over the music world while she nurses a box of Krispy Kremes and a broken heart. He could have stayed. He could have married her instead. Maybe she should have told him that was an option before he left. Maybe she still can...

Trading orgasms for information isn't their usual way of doing business, but when a missing criminal-turned-star-witness and fifty grand are on the line, bounty hunter R. A. Thorn and Detective Cameron Martinez are prepared to put their bodies to the task and give gorgeous Brenna Sheridan everything she needs. An exchange they never anticipated becomes an experience none can forget-or walk away from. Sexual hunger sizzles the threesome, but the stakes and danger rise as a mafia bad-ass stalks Brenna. Soon, their "deal" is no longer about information-or sex. Emotions bind Brenna, Cam and Thorn together more tightly than they ever imagined as the men protect-and serve-the beloved woman neither can live without.

You want revenge? Dig two graves. Ten years ago, a vicious gang called the Gotham Boys descended on a homestead in the mountains like a pack of wolves, leaving nothing behind but death and destruction. Ned O'Leary was the only one to survive the ordeal. He lost hope for revenge long ago, but its flame erupts in his heart when the gang is spotted again. By a stroke of luck, he is recruited to infiltrate the Gotham Boys and bring them all to justice. Ripped out of his wholesome life on a ranch, he has to find his footing with a band of ruthless outlaws who challenge his morals every step of the way. But the one who tests him most of all is Cole Flores. Deadly, full of himself and unpredictable, the gang leader's adopted son should be a man easy to hate, but instead, he sparks illicit desires Ned has never felt before. Cole Flores is forbidden. Cole Flores is corruption. Cole Flores is everything Ned O'Leary craves. Torn between love and revenge, lust and loyalty, Ned has to face impossible choices that are bound to leave scars, no matter how hard he tries to do the right thing. * "I don't know what this means, or how to do this with you," he whispered as his heart broke into a gallop. "But I want to. I need to." Dark, dangerous, yet desperately romantic, "The Man Who Loved Cole Flores" is a gritty western M/M romance novel. Prepare for violence, emotional turmoil, and scorching hot, explicit scenes, as well as a heart-pounding cliffhanger to book 1. The epic love story of

concepts, including existentialism, epistemology, metaphysics, and ethics, relate to the world of Doctor Strange. Fans will find answers to all their Strange questions: How does Doctor Strange reconcile his beliefs in science and magic? What does his astral self say about the relationship between mind and body? Why is he always so alone? And what does he mean when he says we're just "tiny momentary specks within an indifferent universe"—and why was he wrong? You won't need the Eye of Agamotto to comprehend all that is wise within. Doctor Strange and Philosophy offers comic book fans and philosophers alike the chance to dive deeper into the world of one of Marvel's most mystical superheroes.

Even puppets need masters. Especially her. She was his. I wanted her for mine. She thought she was in charge. I was a puppet master in control of everything and everyone. She was innocent. Fallon McLeod has gifts any warrior would covet—fierce strength, unmatched skill, even immortality. But those gifts have come at a price that puts everyone he loves at risk. Only when his brother, Quinn, is taken captive does Fallon leave the seclusion of his Highland home to seek the king's aid. And though every woman at court would gladly be his for the asking, one alone causes desire to roar to life within him: beautiful, mysterious Larena Monroe. Rumors swirl around the castle about "The McLeod" but Larena knows the truth. Like Fallon, Larena is searching for a way to vanquish the evil Druid who wants to wreak havoc on earth. Drawn to Fallon in spite of her fear, she surrenders to a passion that shocks them both with its raw intensity. But Larena dares not hope for more—not when she holds a secret that could turn her fiery Highland love against her forever...
