border security, increased arrests, lengthened sentences for drug offenses, stripped various rights away from drug offenders, and introduced drug testing in our nation's schools and workplaces.

Drug Policy — Criminal Justice Policy Foundation

In America, drug policy involves the laws that control the distribution and use of both prescription and illicit drugs. From the classification of drugs according to their potential for abuse to the legalization or decriminalization of certain drugs, drug policy has undergone many changes over the years. According to the Office of National Drug Control Policy, drug courts send someone to treatment instead of prison every four minutes.

Drug Abuse Policy

Contemporary drug-related public policy attempts to promote the public good through a broad range of administrative actions designed to prevent the initiation of drug use by non-users, help heavy drug users change their behaviour or reduce the consequences of their drug use, and control the supply of illicit drugs (and the supply of diverted prescription drugs used for non-medical purposes) through laws, regulations, and enforcement.

Drug policy and the public good: evidence for effective ...

However, the majority of public opinion data regarding attitudes to drug policy in Australia is collected at the broader population level, and the voices of people who use illicit drugs have traditionally been marginalised within policy debate and remain under-explored.

Public opinion and drug policy: engaging the 'affected ...

America's drug policy incorporates federal laws that regulate the trade, distribution and use of illicit substances. Drug policy covers everything from the classification of drugs and which are illegal to legal punishment for drug activity and treatment and rehabilitative services.

Drug Policy in America / Dual Diagnosis

The war on drugs refers to coordinated campaigns by governments over the last 50 years to enforce the prohibition of drugs largely through the coercive suppression of production and criminalization of drug use, possession, and supply.

Why We Need Drug Policy Reform - Open Society Foundations

Remarkably, the 50-year-old businessman and self-confessed drug addict took the machine to a back-street IT store in Delaware in April 2019 to get it repaired - yet never returned to collect it.
