Now a killer has a different victim in his sights. HAVE YOU SEEN HER is an unforgettable thriller, part of bestselling author Karen Rose's Raleigh series. Young girls are disappearing from their beds at night. Each one pretty with long dark hair. Each one found brutally murdered. Special Agent Steven Thatcher knows that a serial killer is at work.

This work examines the Vorlage of LXX Ezekiel 40 – 48, arguing that it represents a reworking of these chapters in light of the book as a whole. The author applies Skopostheorie, a modern functional theory of translation, to understand the goals of translation in LXX Ezekiel 40 – 48, which include highlighting the distance and hence authority of the source text, suggesting solutions to problems posed by the text, and updating elements of the vision in light of Hellenistic culture. The goal of the translation was both to preserve the authority and to heighten the persuasive power of these chapters for Hellenistic readers of LXX Ezekiel.

Have You Seen My Son? is Jack Olsen ' s powerful novel of child-snatching and a mother's obsessed hunt for her five-year-old son — “ a gripping, intensely moving novel, ” writes Robert Daley, author of Prince of the City and Year of the Dragon. “ The ending left me with tears in my eyes. There is no love like mother love, is there? ” And no greater test of it than what Lael Pritcher is about to endure. One cool April day, Mike Pritcher visits the home of his estranged wife, Lael, and takes their son, Ace, for an overnight outing. “ She pushed her son ' s black-rimmed glasses up the slope of his thin nose. He jerked away like a puppy slipping its leash. A giggle, a crunch of gravel, a single wave of a grimy hand, and her only child was gone. ” Gone — child-snatched, though Lael won't realize that right away, and won't understand what it means even when the police tell her it's a “ domestic matter. ” “ You got the right to snatch him back, ” her lawyer explains. “ That ' s about it. ” So that ' s what she sets out to do, in one of the most suspenseful, emotion-wrenching novels in recent years. Have You Seen My Son? is Lael Pritcher ' s story, as she searches for her son throughout the Northwest, Canada and finally Mexico; an odyssey of near-misses and sudden reversals, searing loneliness and unshakable love, as Lael reaches deep inside herself for a resourcefulness and strength she never knew existed. Combining intimate drama with powerful suspense, this is a story with which every woman — and every man — will identify.

The main character, Jim, is sixty two years old and retired. The first part of the year he stole a semi truck filled with billions of dollars and that put him in the middle of a game he really didn't want to play. The

Novel "The Pawn in The Game" In this new Novel the game gets bigger and more dangerous. The enemy that Jim thought he had destroyed was alive and well. With the help of all his family and friends he tries to stay alive. And as Jim would say " Do the next right thing. The third and final Novel in this trilogy has been written, but not yet published; the name will be " The New Beginning. "

With titles that draw from the depths of obscurity, this collection features thoughtfully selected essays devoted to such films as Wladyslaw Starewicz's 13-minute masterpiece *The Cameraman's Revenge* (1912), the existential reinvention of the Western genre in *El Topo* (1970), and Stanley Kubrick's early classic, *The Killing* (1956). Each essay features a detailed description of plot, notable trivia tidbits, critical reviews, and interviews with actors and filmmakers such as Francis Ford Coppola, Mario Van Peebles, and Billy Bob Thornton. Film aficionados who think that they've seen it all will enjoy referring to this enjoyable mix of movies that are gone but no longer forgotten.

A lariat rope is a useful and necessary tool in a cowboy's life. A cowboy who learns to use it with precision and skill can accomplish much both on the ranch and in the arena. God's Word is also a necessary and useful tool for building a relationship with God. By learning to use it and apply it to your life, you can receive the full and abundant life God has promised. Anyone can own a rope. Likewise, anyone can own a Bible. However, only those that take the time to learn the ropes will truly benefit from it. By learning God's Word you can become all that he has created you to be. Start Learning the Ropes today! But don't just listen to God's word. You must do what it says. Otherwise, you are only fooling yourselves. James 1:22, NLT

Everyone has had the frustrating experience of putting something down and then forgetting where. Although there are many factors that contribute to the ability to remember; it is also a simple fact that some people are better at remembering than others. Outside influences like stress, hormone problems, or even the side-effects of medications can make people absentminded and forgetful. But what if your memory is simply getting progressively worse? Are you frequently embarrassed at not being able to remember someone's name? Have you ever driven away from a petrol station and genuinely forgotten to pay? Are these episodes of memory loss driving you to despair? If so, then this book by Miller Caldwell is not only going to amuse and entertain you, but it will provide you with many serious tips and self-help exercises that will help you train your brain all over again! Mr Caldwell begins by explaining his own

diagnosed condition called mild cognitive impairment (MCI) and the frustration he felt at having to retire early because of shortterm memory loss. He explains in simple terms how the human brain processes our thoughts and then stores them in preparation for recall. He explains how in most people, sharp thinking and reasoning skills are unaffected by shortterm memory decline and suggests that, if an older person learns information in the right way, he or she is just as likely to remember it as a younger counterpart. Each helpful tip and suggested exercise comes with an anecdote from Caldwell's many varied and fascinating life experiences, including how he almost married the wrong woman! Presented in a delightful and straightforward format, this book will be an invaluable companion to those of us who are just a little bit forgetful or, equally, to those in the early stages of dementia. Oh, and just in case you forget, the charming cover illustration of an elephant with a knot in its trunk will remind you to pick up a copy of your own.

Where is God when the world falls apart, when he doesn't seem to care? Ezekiel brought God's word to his people at the lowest point in their history, suffering the trauma of exile. But with exile comes the opportunity to renew their faith and hope in God himself. Although God had judged his people, he would also restore them and dwell with them forever – promises which find their ultimate fulfilment in Christ. Antony Billington's six-session guide, with his astute mini-features, skilful questions, and timely notes, will help you explore how Ezekiel's message of challenge and comfort speaks today, enabling you to live in the light of God's presence, Monday through Sunday – whatever you're facing.
