When three baby owls awake one night to find their mother gone, they can't help but wonder where she is. Stunning illustrations from unique and striking perspectives capture the owls as they worry about their mother: What is she doing? When will she be back? What scary things move all around them? Not surprisingly, a joyous flapping and dancing and bouncing greets her return, lending a celebratory tone to the ending of this comforting tale. Never has the plight of young ones who miss their mother been so simply told or so beautifully rendered.

Ever since its original publication in Germany in 1938, Max Schweidler's Die Instandsetzung von Kupferstichen, Zeichnungen, Buchern usw. has been recognized as a seminal modern text on the conservation and restoration of works on paper. This volume, based on the authoritative revised German edition of 1950, makes Schweidler's work available in English for the first time, in a meticulously edited and annotated scholarly edition. An extensively illustrated appendix presents case studies of eleven Old Master prints that were treated using the techniques Schweidler discusses.
