Lords of all the World is an intellectual
history of European thinking (discourse)
about empire. Pagden examines how
Europeans thought about the empires they
created and how their thinking changed
over the years 1500 to 1800. He focuses on

in the Americas. A key theme of the book is
the divergence between Spanish and English
conceptions of empire, and the eventual
triumph of the English ideology that
developed by the end of the time period in

Anthony Pagden describes how the rulers of
the three countries adopted the claim of the
Roman Emperor Antoninus to be "Lord of
all the World." Examining the arguments
used to legitimate the seizure of aboriginal
lands and subjugation of aboriginal peoples,
he shows that each country came to develop
identities—and the political languages in
which to express them—that were
sometimes radically different.
