The GUIDE environment will be removed in a future release. After GUIDE is removed, existing GUIDE apps will continue to run in MATLAB but they will not be editable in GUIDE. To continue editing an existing GUIDE app, see GUIDE Migration Strategies for information on how to help maintain compatibility of the app with future MATLAB releases.

**Migrate GUIDE Apps - MATLAB & Simulink**

Drag and drop a ' static text ' onto your Matlab GUI. You can reduce or increase the size of your interface window by dragging its bottom-right corner, as it's done in other drawing programs. Double click on this ' static text ' and a ' Property Inspector ' window will appear.
