Opel. Although not as immediately famous worldwide as some of its German compatriots, the Opel brand is recognised and admired to a great degree in Germany, and certainly has its supporters elsewhere. Its relationship with GM and Vauxhall has allowed it to enter new markets and develop a strong identity beyond its home country, and it has built a reputation based on the finest tenets of ...

Of the various service books, the 1973 factory manual comes closest to being a good source for mechanical information on the GT. (A digital scan of that book is widely available if you ask around for it, and some of the other books have been scanned too). But by itself, the 1973 FSM won't tell you what you need to know to operate and restore a GT.
