Smart. Funny. Fearless."It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

Here is a practical volume that focuses on the major security problems for libraries, archives, and museums. Written by a respected librarian and security consultant, Protecting Your Collection provides provides a thorough review of the procedures for protecting library, art, and archival collections against losses from theft, fire, flooding, and mutilation. Author Slade Gandert includes fascinating interviews with librarians, rare book dealers, archivists, detectives, and security professionals to find out who steals from institutional collections--how they do it and why they do it. Each chapter features case studies of intriguing security leaks in the institutional system and describes their outcome. This important book is beneficial reading for library staff and administrators.

"Art of the Defeat offers an unflinching look at the pivotal role art played in France during the German occupation. It begins with Adolf Hitler's staging of the armistice at Rethondes and moves across the dark years - analyzing the official junket by French artists to Germany, the exhibition of Arno Breker's colossi in Paris, the looting of the state museums and Jewish collections, the glorification of Philippe P?tain and a pure national identity, the demonization of modernists and foreigners, and the range of responses by artists and artisans. The sum is a pioneering expos? of the deployment of art and ideology to hold the heart of darkness at bay"--Page 4 of cover.

Profiles five key figures in the art world of Nazi Germany who plundered art masterpieces from museums and private collections across Europe at the behest of Adolf Hitler's Third Reich--museum director Ernst Buchner, art critic Robert Scholz, dealer Karl Haberstock, art historian Kajetan Muhlman, and sculptor Arno Breker.

Includes entries for maps and atlases.
