Introduction to Finance, 17th Edition offers students a balanced introduction to the three major areas of finance: institutions and markets, investments, and financial management. Updated to incorporate recent economic and financial events, this new edition is an ideal textbook for first courses in finance—reviewing the discipline’s essential concepts, principles, and practices in a clear, reader-friendly manner. Students gain an integrated perspective of finance by learning how markets and institutions influence, and are influenced by, individuals, businesses, and governments. Designed to impart financial literacy to readers with no previous background in the subject, the text provides a solid foundation for students to build upon in later courses in financial management, investments, or financial markets. Equations and mathematical concepts are kept to a minimum, and include understandable, step-by-step solutions. Divided into three parts, the book explains financial markets, discusses the functions of financial systems, reviews savings and investments in different sectors, describes accounting concepts and organizational structures, and more. Real-world examples featured throughout the text help students understand important concepts and appreciate the role of finance in various local, national, and global settings.

An updated third edition of the most comprehensive guide tosmall business success Whether you're a novice entrepreneur or a seasoned pro, TheSmall Business Bible offers you everything you need to know tobuild and grow your dream business. It shows you what really works(and what doesn't!) and includes scores of tips, insiderinformation, stories, and proven secrets of success. Even if you'verun your own business for years, this handy guide keeps you up todate on the latest business and tech trends. This ThirdEdition includes entirely new chapters devoted to social media,mobility and apps, and new trends in online discounting and groupbuying that are vital to small business owners everywhere. New chapters include: How to use Facebook, Twitter, and other social media tools toengage customers and potential stakeholders How to generate leads and win strategic partnerships withLinkedIn How to employ videos and YouTube to further your brand What you need to know about Groupon and group discountbuying What mobile marketing can do for your business Give your small business its best shot by understanding the bestand latest small business strategies, especially in thistransformative and volatile period. The Small Business Bibleoffers every bit of information you'll need to know to succeed.

Business owners are regularly confronted by legal questions and problems. But with lawyers typically charging $250 an hour, calling one can be a fast track to the poorhouse.Fortunately, Legal Guide for Starting & Running a Small Business clearly explains how to: -- raise start-up money -- get licenses and permits -- buy or sell a business -- negotiate a favorable lease -- hire freelancers and employees -- understand business tax rules -- pick and protect a name -- resolve legal disputes -- and much more

Hatten provides a balanced introduction to both entrepreneurship and small business management before turning his focus toward achieving and maintaining a sustainable competitive advantage as a small organization. Current issues including global opportunities, service, quality and technology are highlighted throughout the text, and the Third Edition features an increased emphasis on small business ownership by women and minority groups. Additional coverage is given to the new Small Business Administration size standards, creating a personalized business plan, and e-commerce. New! A full chapter is devoted to creating a business plan. Two complete plans written by undergraduate students appear in the text—one designed for a service business, the other for a retail establishment. Electronic Business Plan Templates are also available online. New! "What Would You Do" exercises provide realistic opportunities for students to think critically and realistically. New! "Profile in Entrepreneurship" boxes spotlight individuals who've created new products and businesses. New! Eduspace course management system. New! Coverage of small business ownership by women and minority groups has been increased throughout the text New! End of chapter questions ("Comprehension Checks") have been added to each chapter. Author created supplements including the Instructors Resource Manual, Test Bank and PowerPoint slides, ensure seamless integration of the text and teaching resources. A shorter length accommodates one semester courses without sacrificing important topics.
