In the second volume of the Fourth Talisman series, Nazafareen's path takes a twist, setting her on a journey into the heart of the maelstrom... It's been a thousand years since the Avas Vatras tried to burn the world to ashes. A thousand years since they were imprisoned in the brutal wasteland called the Kiln. But revenge is a dish best served cold—even, apparently, by the children of fire. In Delphi, Nazafareen joins forces with the followers of Dionysius to rescue her friends from the Oracle's dungeons and seek out the three talismans whose extraordinary powers stopped the Vatras before. With her own breaking magic growing stronger by the day, she must walk a razor's edge to control her volatile temper. And if the Vatras find the talismans first, their last hope will die. In the frozen wastes of the Valkirin range, Victor Dessarian strikes an uneasy bargain with bitter enemies to keep his tenuous grip on the Maiden Keep. The other holdfasts are coming for him. But it's a traitor within Val Moraine's walls that may prove to be his downfall.

In the fifth and last volume of the Fourth Talisman series, the worlds of the living and the dead collide in a final confrontation that will leave Nocturne and Solis forever changed... Three talismans adrift. Two mad kings. One poisonous crown. As dark forces gather at the Rock of Ariamazes in Samarqand, Nazafareen discovers that there are worse places than the afterlife. The twisted creature pulling the Vatras's strings is holed up in the deepest level of the Dominion—and only she has the power to follow him there, though at the potential cost of her own soul. Prophecy claims the three daeva clans must unite to face their greatest enemy again, but two of the talismans have vanished and the third is a child more used to skulking in the shadows than leading an army. Meb the Mouse might be their last hope—if anyone bothers to take her seriously. And within the confines of the Rock, a dying king makes a pact with the devil, setting in motion a chain of events that could spell doom for friends and foes alike. **WARNING:** This book contains twists and turns, richly deserved comeuppances, shocking revelations, knock-down, drag-out fights, obsessive stalkers, some very nasty monsters...and, of course, true love.
