This solutions manual complements a study of probability theory, based on the second edition of the textbook Probability for Risk Management, by Matthew Hassett and Donald Stewart. The solutions given here for basic problems are brief, and are intended to give an outline of how to proceed.

Solutions Manual For Probability Risk Management  
Probability theory is used for decision-making and risk management throughout modern civilization. Individuals use probability daily, whether or not they know the mathematical theory in this text. If a weather forecaster says that there is a 90% chance of rain, people carry umbrellas. The "90% chance of rain" is a statement of a probability.
