The Workplace Walk-Through is the first volume in a series dedicated to providing physicians with more advanced tools for performing not only the routine tasks involved in occupational medicine, but also the most unusual and challenging assignments.

With over 250 step-by-step pictures on over forty beginning moves, this manual is designed for students and teachers of beginning fabric or silks. This manual focuses on footlocks (covering basic, single, and double), but also includes an introduction to the hiplock and various climbs. Focusing on injury prevention, there are tips on how to spot and how to avoid common mistakes.
