Brunner sees St Paul's Epistle to the Romans as 'the chapter of destiny of the Christian Church'. Here, in Luther's words, is the 'purest gospel' upon which the very existence of the Christian faith depends and from which it draws its life. Concentrated, decisive and instructive, nothing within the New Testament is more closely argued both theological and personal. Out of his years of scholarly wisdom Brunner meditates on the great Question: What is wrong with the Churches? Brunner finds an answer in the contrast between the virile Spirit-filled fellowship of the New Testament and the institutions which are now called 'churches'. He writes in his preface: 'The title of the book, The Misunderstanding of the Church, is

## Get Free The Misunderstanding

equivocal. Is it a question of a misunderstanding of which the Church is guilty, or of a misunderstanding of which it is the victim? Or is it that the Church itself, as such, is perhaps the product of a misunderstanding? The author is not responsible for this ambiguity; it is intrinsic in the theme itself.

Yves Harteloup, scarred by war, is a disappointed young man who returns for the summer to the rich, comfortable Atlantic resort of Hendaye. He becomes infatuated by the beautiful, bored, Denise, whose husband is away on business. Intoxicated by summer nights and Yves' intensity, Denise falls passionately in love.

out and stay out of these difficulties. Robert L. Young explains why many common types of misunderstandings arise and how they can be avoided or corrected. In the first part of the book, he breaks the process of misunderstanding down into stages, showing how it can occur when we misspeak, mishear, misinterpret, or react in inappropriate ways. In the second part, he expertly analyzes the kinds of misunderstandings that can arise from differences in culture, social class, race and ethnicity, and gender. Real-life examples illustrate many of the problems and solutions he describes. Because misunderstanding can destroy friendships and marriages, wreck careers, and lead to clashes between whole segments of society, understanding and diffusing it is of the utmost importance. This reader-

friendly book provides the practical guidance to do just that. Educators, business people, psychologists, parents—in fact, everyone who interacts with other people—will benefit from it.

Sophie Cabot Black is an unabashedly passionate poet. Her language is exquisite, each word falling perfectly into precise structures of vision. Whether in a loose sonnet form or in a taut longer line, these poems are exercises in the extension of the soul. Devotional and pure, Sophie Cabot Black's voice is one of inconstant waiting, of meditation on edge. The *Misunderstanding of Nature* encompasses two New Worlds: the contemporary one and the one of seventeenth-century New England. At its epiphany, this collection presents a long poem called "The Arguments," a

though Miss Louisa ever intentionally sought out trouble. How was she to know that the Marquess who everyone hoped would propose to her elder sister would happen upon her in a ballroom, dancing alone in the middle of the night? They'd narrowly averted a scandal on that one. Or that time he'd caught her tumbling out a window... No one could have seen that coming. Really, when her family shipped her off to the School of Charm to keep her from causing any more damage to her perfect sister's reputation, Louisa had done her very best to avoid attention. Particularly the attention of the Marquess in question. But when the Marquess arrives in town, her best laid plans are put to the test. For he seems intent of dragging her into the spotlight. And when the two of them are together, it's not just
