THE VISIT Inside Look The Visit | How we made the poster The Visit Friedrich Durrenmatt The screenplay by Jerzy Kromolowski and Mary Olson-Kromolowski never fails to grip, and although the book on which it is based is by Swiss author Friedrich Durrenmatt, the story fits very easily ...

An older woman who became rich over her life returns to the town of her youth with a dreadful bargain: She wants the townspeople to kill the man who jilted her in exchange for enough money to revitalize the town.

This volume offers bracing new translations of two precursors to the modern detective novel by Friedrich Dürrenmatt, whose genre-bending mysteries recall the work of Alain Robbe-Grillet and anticipate the postmodern fictions of Paul Auster and other contemporary neo-noir novelists. Both mysteries follow Inspector Barlach as he moves through worlds in which the distinction between crime and justice seems to have vanished. In *The Judge and His Hangman*, Barlach forgoes the arrest of a murderer in order to

File Type PDF The Visit Friedrich Durrenmatt

manipulate him into killing another, more elusive criminal. And in *Suspicion*, Barlach pursues a former Nazi doctor by checking into his clinic with the hope of forcing him to reveal himself. The result is two thrillers that bring existential philosophy and the detective genre into dazzling convergence.

In Friedrich Dürrenmatt's experimental thriller *The Assignment*, the wife of a psychiatrist has been raped and killed near a desert ruin in North Africa. Her husband hires a woman named F. to reconstruct the unsolved crime in a documentary film. F. is soon unwittingly thrust into a paranoid world of international espionage where everyone is watched—including the watchers. After discovering a recent photograph of the supposed murder victim happily reunited with her husband, F. becomes trapped in an apocalyptic landscape riddled with political intrigue, crimes of mistaken identity, and terrorism. F.'s labyrinthine quest for the truth is Dürrenmatt's fictionalized warning against the dangers of a technologically advanced society that turns everyday life into one of constant scrutiny. Joel Agee's elegant translation will introduce a fresh generation of English-speaking readers to one of European literature's masters of language, suspense, and dystopia. "The narrative is accelerated from the start. . . . As the novella builds to its horripilating climax, we realize the extent to which all values have thereby been inverted. *The Assignment* is a parable of hell for an age consumed by images." —New York Times Book Review "His most ambitious book . . . dark and devious . . . almost obsessively drawn to mankind's most fiendish crimes." —Chicago Tribune "A tour-de-force . . . mesmerizing." —Village Voice

Theatre program.

Six richly inventive pieces by the Swiss master of existentialist theater. Includes "Romulus the Great, 21 Points to the Physician," and "A Monster Lecture on Justice and Law.">

At the centre of his own universe sits matinee idol Garry Essendine: suave, hedonistic and too old, says his wife, to be having numerous affairs. His line in harmless, infatuated debutantes is largely tolerated but playing closer to home is not. Just before he escapes on tour to Africa the full extent of his misdemeanours is discovered. And all hell breaks loose. No ð I Coward's Present Laughter premiered in the early years of the Second World War just as such privileged lives were threatened with fundamental social change. This edition of the play is published to coincide with the National Theatre's production running from September 2007. The text features an introduction that considers the directorial decisions and interpretation in the National's production.

The Swiss writer Friedrich D ù rrenmatt (1921 – 90) was one of the most important literary figures of the second half of the twentieth century. During the years of the cold war, arguably only Beckett, Camus, Sartre, and Brecht rivaled him as a presence in European letters. Yet outside Europe, this prolific author is primarily known for only one work, *The Visit*. With these long-awaited translations of his plays, fictions, and essays, D ù rrenmatt becomes available again in all his brilliance to the English-speaking world. D ù rrenmatt ' s essays, gathered in this third volume of *Selected Writings*, are among his most impressive achievements. Their range alone is astonishing: he wrote with authority and charm about art, literature, philosophy, politics, and the theater. The selections here include D ù rrenmatt ' s best-known

essays, such as “ Theater Problems ” and “ Monster Essay on Justice and Law, ” as well as the notes he took on a 1970 journey in America (in which he finds the United States “ increasingly susceptible to every kind of fascism ”). This third volume of Selected Writings also includes essays that shade into fiction, such as “ The Winter War in Tibet, ” a fantasy of a third world war waged in a vast subterranean labyrinth—a Plato ’ s Cave allegory rewritten for our own troubled times. D ü rrenmatt has long been considered a great writer—but one unfairly neglected in the modern world of letters. With these elegantly conceived and expertly translated volumes, a new generation of readers will rediscover his greatest works.

An updated 3rd edition of this authoritative analysis of Swiss democracy, the institutions of federalism, and consensus democracy through political power sharing. Linder analyzes the scope and limits of citizens' participation in direct democracy, which distinguishes Switzerland from most parliamentary systems.
